PHI LAMBDA SIGMA

PHARMACY LEADERSHIP SOCIETY

Phi Lambda Sigma was founded in 1965, through the creative imagination of Pharmacist Charlie Thomas, then a student at Auburn University School of Pharmacy. Believing that leaders needed recognition for their contributions to our profession, the Alpha chapter was chartered and thus began the tradition that is Phi Lambda Sigma today. One hundred and thirty-one chapters strong and growing, the membership of the society is rich in leadership diversity. Phi Lambda Sigma appreciates the enduring support of the many friends, deans, advisors, faculty, alumni and student members. It is each of you we celebrate.
